

1440VLBL

Document/Valuables Case

Designed to organize & protect when you need it most

The VLBL™ Emergency Document & Valuables Case is purpose-built for safeguarding your most important items during emergencies. From birth certificates and passports to family photos, hard drives, and legal records, VLBL helps ensure your irreplaceable valuables stay safe, dry, and ready to go. Housed inside a crushproof, waterproof, and fire-resistant Pelican 1440 Protector case, VLBL includes a padded office divider system, lid organizer, and fire pouch—designed to keep contents secure whether you're sheltering in place or evacuating under pressure.

Ideal For:

- Families in earthquake wildfire, flood, tornado or hurricane zones
- Families looking to centralize and protect important documents
- Professionals storing critical records, medical files, or irreplaceable electronics
- Estate planners, legal clients, and anyone wanting a mobile emergency "safe"

• Engineered Security: Built into a Pelican 1440 case—trusted by professionals across the globe

• Keeps critical files, passports, devices, and heirlooms safe from disaster with our waterproof Protector case and fireproof document holder

• Organized: Office divider set and lid organizer make room for everything, from birth certificates to backup drives

• Go-Ready: Rugged wheels, hi-viz handles, and fast-access layout mean it's ready when you are
